

Year 3 Science

Year 3 have been exploring and comparing different soils in Science as Pedologists. We looked at the texture, moisture and general appearance of the different types of soil.

Read Aloud Day

To celebrate Read Aloud Day Year 6 spent time reading to their buddies.

Fire Safety Workshops

Year 2 and Year 6 took part in Fire Safety workshops last term. The children discovered lots of interesting information about the job of firefighters and other jobs in the fire department, in addition to learning how to keep themselves safe.

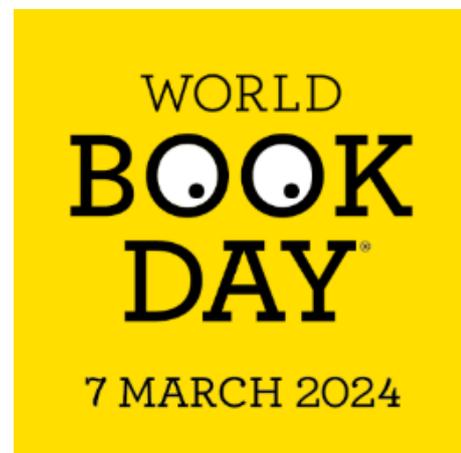

World Book Day

We are looking forward to celebrating World Book Day on Thursday 7th March. Our theme this year is poetry. Children are invited to dress up as a character from a favourite book, this can be a character from a nursery rhyme or poem but all book characters are welcome!

Children are invited to get creative at home by making a scene from a book in a cardboard box or alternatively turning a potato or wooden spoon into a book character. Winners will be selected from each Key Stage and will receive a £5.00 voucher to spend at the Book Fair. Entries to be brought into school on World Book Day.

Sir John Hayes MP

The children of Linchfield had a special visitor, Sir John Hayes MP. He talked to the children about British Parliament and democracy.

Girls Football Tournament

Congratulations to our girl's football team for taking part in and winning a local girls football tournament. Mrs Fasulo and Mrs Price said that the girls showed fantastic skills and team spirit. Well done!

Treehouse

After the February Half Term Break **Treehouse is moving into the Studio**, which is part of the EYFS building. This is due to an increase in numbers and therefore needing a larger space for the children before and after school. Due to the change of location in school parents/carers will need to drop off and collect their children from the EYFS gate rather than the school office. As this is an outdoor gate we will be moving from walkie talkies to a mobile phone for communication. When parents/carers arrive at the EYFS gate to drop off or collect children, you will need to phone the Treehouse mobile phone number to let staff know that you are there. If you have any questions or queries about the new arrangements, please contact the school office either via email or telephone.

Treehouse Mobile Number - 07586108042

Year 3 Internet Safety

Year 3 joined in with a BBC live lesson on Internet Safety and we looked at how we can stay safe when using Artificial Intelligence. During the lesson we looked at different examples of A.I such as predicting text and face recognition. We discussed how we can stay safe when using A.I by speaking to our trusted adults and we talked about who these may be.

Girlguiding Thinking Day

One of the most important days in the Girlguiding calendar is February 22nd which is called Thinking Day, it's a day when Girlguiding all over the world comes together to 'think' about the movement, the promise they have made when they joined and to think of each other. The date was chosen as it is the joint birthday of our Founder Robert Baden Powell and his wife Olave. Robert Baden Powell was also the founder of Scouts and internationally the day is known as Founders day in the Scouting organisation, however in the UK, Scouting celebrates St Georges Day rather than Founders Day.

All members of Girlguiding Deeping District, if they would like to, are welcome to wear their uniform proudly to school on Thursday 22nd February to show they belong to this fantastic organisation.

Year 6 Guided Reading

Year six have thoroughly enjoyed reading and performing Shakespeare's A Midsummer Night's Dream as part of their guided reading lessons.

Reading Meeting

On Monday 26th February at 2:45 Mrs Pilsworth will be holding a reading meeting for parents and carers. Everyone is welcome. The meeting will give an overview of reading at Linchfield, including our use of Accelerated Reader. We will share our school's approach to promoting Reading for Pleasure in addition to sharing ideas for supporting your child with reading at school.

Supporting Your Child with Reading

Valentine Discos

Thank you to everyone who came along to the Valentine Discos. The children had great fun and enjoyed spending time with their friends. Staff and children loved the playlist and demonstrated some great dance moves!

A HUGE THANK You to the FLS for organising the discos and thank you to all staff and volunteers who helped out. We really could not do any of these events without your support. All money raised will go towards the Linchfield Forest Area.

Dojo Shop

The children enjoyed spending their hard-earned Dojo Points in the Dojo Shop at the end of last term! They can earn Dojo Points for amazing work and demonstrating our School Values. The children work hard to earn Dojo Points throughout the term and then they love to see what they can redeem their points for in the shop.

Thank you to the FLS for funding the items in the shop and thank you to Mrs Fasulo for keeping the Dojo Shop well stocked with a range of treats of the children to choose from.

Diary Dates
