

Linchfield Community Primary School

Summer Term 1 Home Learning 2023

Year 1

TOPIC

Coastal Explorers

In this booklet, you will find an overview of what we will be covering this term and ways you are able to support your children with this term's topic.

We would love to see any related work your child has done at home. Children have the opportunity to share their homework with the class on Tuesdays and Fridays.

Notes for this term

Our PE days are on:

Wednesday afternoon (outdoor) and Thursday afternoon (indoor).

Hair should be tied back and earrings must be removed please.

Please bring a named water bottle to school every day.

Please ensure any queries are emailed directly to the school office at enquiries@linchfield.lincs.sch.uk

Maths

Our focus this term will be:

Multiplication and Division

- Count in multiples of twos, fives and tens.
- Solve one-step problems involving multiplication and division, by using objects, pictorial representations and arrays with the support.

Fractions

- Recognise, find and name a half of an object, shape or quantity.
- Recognise, find and name a quarter of an object, shape or quantity.

Geometry – Position and Direction

- Describe position, direction and movement, including half, quarter and three-quarter turns.

A link to support this learning is below:

(once on this site, scroll down to the bottom of the page to view the resources)

<https://whiterosemaths.com/parent-resources>

- Continue to represent and use number bonds and related subtraction facts within 20 [Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](#) Play number bonds to 10 or number bonds to 20.
- Practise grouping toys into twos, fives or tens and count them in twos, fives or tens.
- Use dice to make addition and subtraction calculations.
E.g. $4+6=?$ $6-4=?$ Answer them as quickly as possible. Can you do it without counting on or back?
- Find 1 more or 1 less than a given number up to 100. Choose your challenge: [Chopper Squad More or Less - Mental Maths Game - 5 to 7 Year Olds \(topmarks.co.uk\)](#)

Reading

Reading records will be sent home each day. Your child can bring home 2 books at a time.

Book 1 – A Read Write Inc book that matches the sounds taught in phonics sessions.

Book 2 – A picture book of their choice to share with adults at home. Children are not expected to read this by themselves.

Please read with your child every day and fill in the reading record at least 3 times a week.

We will listen to the children read as part of our phonics sessions.

ENGLISH

Spelling

Spelling will be taught during our phonics sessions at school. Below is the list of Y1 common exception words.

| | | |
|--------|--------|-------|
| a | is | she |
| are | love | so |
| ask | me | some |
| be | my | the |
| by | no | there |
| come | of | they |
| do | once | to |
| friend | one | today |
| full | our | was |
| go | push | we |
| has | pull | were |
| he | put | where |
| here | said | you |
| his | says | your |
| house | school | |
| I | | |

Writing will be taught during our phonics lessons.

Our vocabulary, grammar and punctuation focus will continue to be....

- Capital letters, full stops, question marks and exclamation marks.
- Finger spaces in our writing and using the correct letter formation.
- Using **and** to join two ideas.
- Using a capital letter for names of people, places, the days of the week, and 'I'.

You could:

- Write a story based on the seaside.
- Describe a colourful seaside picture. This could be a postcard, a family photo or any another image you can find.

Topic

SCIENCE

Our focus this term will be on plants.

Go outside into your garden or a local park. You could even visit someone you know that has a garden with lots of plants.

Look for plants. Can you name them?

Can you predict what the plants will turn into when they are fully grown?

ART/DT

Our focus this term will be on cookery and seaside snacks.

Can you help prepare a family meal?

Perhaps you could pour your own cereal or wash and prepare some vegetables?

Can you follow a recipe to make one of your favourite treats?

HISTORY/GEOGRAPHY

Our focus this term will be Geography. We will be learning about coastal exploration.

Create a seaside in a shoe box or create a picture of your favourite activity you like to do at the seaside.

RE/PSHE

RE - Places of Worship

Go for a walk and look at places of worship in our local area. How are they the same? How are they different?

PSHE - Healthy and Safer Lifestyles

Our focus will be on personal safety and managing risk.

Do you know your name, address and phone number? If not, please learn them. Can you talk about what makes a place or activity safe for you?

Above are some suggested activities, you may wish to create some of your own. We see homework as enrichment, not punishment, so will set tasks on a termly basis to help enhance your child's education. Homework is not 'chased up' but we do celebrate homework in class.
