NSPCC Number Day

Here at Lincolnfield Primary School, we are delighted again to be supporting the NSPCC, by taking part in Number Day, on

Friday 7th February 2025 - Non-uniform for whole school.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. As part of our fun day of maths activities, we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for **voluntary** donations, and we'd love everyone in the school to take part in this special event. Please send in any donation (however small) to support NSPCC's work in a sealed envelope.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Lincolnfield will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

You can find out more about the NSPCC's work at nspcc.org.uk

British Farming

Years 3 and 4 have had a wonderful afternoon learning all about British farming and discovering where our food comes from, linked to their Geography and future D. T. Topics. They have learnt about sausages, wheat and yield from a field as well as getting to sample delicious sausages and pancakes! The whole school was also very excited to have a working tractor in the grounds!

Gambling Awareness Workshop

This week Year 6 had an interactive Gambling Awareness Workshop. They learnt about what a habit is, how a habit is formed and what gambling actually is through various activities. They discussed various scenarios to decide whether it is a game or gambling and learnt how a game can turn into gambling and the risks involved due to chance.

www.bag2school.com

We are pleased to announce that Linchfield School has organised a Bag2School collection in order to raise funds for the school. As well as raising funds for school it also helps the environment by helping to divert unwanted textiles away from landfill. This is a great opportunity for a clear out!

Indoor Athletics

On Tuesday 21st January we took part in an indoor athletics event. This involved different running races and field events like long jump, javelin, and chest push. We worked in team events and individual events and won the javelin, relay races and other running events. We won over all and all got medals! We have qualified for the county finals being held in Lincoln! We all showed great enthusiasm and perseverance throughout the day.

Parking Outside School

Please ensure that you park responsibly outside school. Under no circumstances should anyone be parking on the path or the yellow zig-zag lines outside school as this makes getting into school very dangerous for our children and families. It is important that you allow enough time at drop off and collection times to park responsibly. Thank you for helping us to keep everyone safe.

Diary Dates
