Y1 & Y2 Geography Day

Year 1 and 2 had a fantastic day finding out about different capital cities around the world. We did Flamenco dancing in Madrid, went to a carnival in Brazil and drank milkshakes in Washington DC. The children looked amazing dressed up in clothes inspired by the different countries.

Archaeologists Visit

To kick start our history topics this term, Year 3 and 4 had real archaeologists in to share their findings within the local area - West Deeping. We looked at a variety of artefacts including animal skulls of native British animals that no longer live in the area! It was an inspiring workshop and was great to see the children engaged in the role of an archaeologist!

Wedding News

Miss Hamby got married over the half term holiday and is now Mrs Renault! I am sure you will all join me in wishing Mr & Mrs Renault a bright and happy future together. Hip! Hip! Hooray!

Thank You PTA

Thank you to our amazing PTA for buying us an oven for our new cooking area in school. The children are really enjoying researching recipes and cooking a range of dishes and baking different treats!

Cooking is a valuable life skill that teaches children about nutrition and food safety, as well as building maths, English, science and fine motor skills. Introducing children to cooking from a younger age will help them to be more confident in the kitchen and provide them with the ability to cater for their own needs as they grow older.

We are really lucky at Linchfield to have such a proactive and dedicated PTA who raise funds for the school by organising a range of activities and events for our children and families to enjoy.

World Book Day Thursday 6th March

To celebrate and encourage a lifelong love of reading at home and school, we are encouraging children to come to school dressed as their favourite book character on World Book Day. Our theme is fairy tales - traditional and those with a modern twist. However, if your child has a different favourite book character they want to dress as, that is fine too!

World Book Day Tokens.

Children will be bringing home a £1 World Book Day token this week. These can be exchanged in bookshops and supermarkets for the special World Book Day books, priced at £1. They can also be used towards other books including at our school bookfair which will be taking place between 11th and 17th March.

Sponsored Read

We will be holding a sponsored read between Thursday 6th March 2025 and Wednesday 12th March 2025. All the money raised will go towards brand new Usborne books for our school. Details of this will be in a separate letter.
