

Year 6 History

This week, as part of their learning relating to the very significant, historical date of 1066, the children in Y6 recreated 2 very important battles. They began by discussing the effect the crowning of the Anglo-Saxon Nobleman, Harold Godwinson, had on the other contenders for the Crown of England and the reliability of the historical sources which detail this period in history. The children then re-enacted both key battles, The Battle of Stamford Bridge and The Battle of Hastings, before writing an information text to show their learning. The real battles were fierce, with many killed on both sides but thankfully in our recreation, no-one was injured, and we were all friends at the end! Phew! As our learning continues, we will learn how things changed in England as a result of this change of King and how some of those changes are still evident today.

Year 4 Art

Year 4 have been studying still life in Art. We explored different types of still life from the 1800s to contemporary still life. The children experimented with lines, colour and texture before sketching and painting their own still life piece. The children thoroughly enjoyed our topic and have produced some wonderful work. Well done Year 4!

DT Homework

During D.T last week, we were looking at toys that require a CAM mechanism for an aspect of the toy to move. Ethan very confidently said he would be able to make one on his 3D printer, to which he was told 'challenge accepted'. Ethan came to school on Monday morning having well and truly completed the challenge. Well done Ethan!

Gambling Awareness Workshop

On Tuesday Year 6 had an interactive Gambling Awareness Workshop. We learnt about what a habit is, how a habit is formed and what gambling actually is through various activities. We discussed various scenarios to decide whether it as a game or gambling and learnt how a game can turn into gambling and the risks involved due to chance.

World Book Day

We are looking forward to celebrating World Book Day on Thursday 7th March. Our theme this year is poetry. Children are invited to dress up as a character from a favourite book, this can be a character from a nursery rhyme or poem but all book characters are welcome!

Children are invited to get creative at home by making a scene from a book in a cardboard box or alternatively turning a potato or wooden spoon into a book character. Winners will be selected from each Key Stage and will receive a £5.00 voucher to spend at the Book Fair. Entries to be brought into school on World Book Day.

We would like to invite parents and carers into school on Thursday 7th March to share a favourite book with their child at the start of the school day.

Bring in a favourite book from home or share a school book. If you would like to take part in this event please drop your child off at school as normal and then make your way around to the School Office to sign in. You are very welcome to spend a little time in each class if you have more than one child.

RED NOSE DAY

**Friday
March 15th**

This year, Linchfield will be supporting Comic Relief by wearing something red on Friday 15th March for a suggested donation of £2.00.

This year, the event will focus on supporting those in need during the current living crisis, focusing on issues like lack of food and homelessness. Therefore, if you would also like to contribute any suitable food items, we will donate them to a local food bank

Unfortunately, we are unable to sell red noses this year so all of your donations will make even more of a difference to our fundraising. Donations can be paid in school or our justgiving page
