Girls Football

The girls played really well and won 3 out of 5 of their matches with lots of goals scored. Great team effort - well done girls!

Into the Woods Club

In the club, Into the Woods, we have been exploring different fairy tales and retelling aspects of the story through art and drama. Last week, we retold the story of Beauty and the Beast and we created pictures of things in the story in our forest school area. We made the beast, the rose and the castle!

Year 3 Art

Year 3 finalised their terms art topic on gestured mark making using charcoal and utilized our forest school area. The children used our Guided Reading text 'into the woods' as a stimulus to create a woodland area. The children focused upon their five senses and the things they could see in the nature around them. Using charcoal, leaves and sticks, the children produced some fantastic shading, fine prints, and beautiful line work. The Y3 team cannot wait to use the forest school area again next term!

Halloween Discos

EYFS, Year 1 & Year 2 - 3.15pm - 4.00pm
(Children will get changed in the classrooms and taken to the disco by a teacher)

Year 3 & Year 4 - 4.15pm - 5.00pm

Year 5 & Year 6 - 5.15pm - 6.00pm

KS2 Paralympic Assembly

On Thursday KS2 welcomed back Jonathon Broom-Edwards (JBE) to share his sporting successes and well being tips. He taught the children about breathing techniques and how to be resilient even when things don't always go your way. JBE shared his amazing story about breaking his ankle five weeks before the Paris Paralympic games but was resilient enough to compete and come 5th. Another fantastic assembly offered via our Inspire+ membership.

Kindness Week

This week we have decided to take part in the NSPCC Kindness Challenge which encourages kindness and raises money for children. We started the week with a Kindness Assembly and each child has been given a kindness sheet to complete during the week. Please click on the link below to find lots of activities which can be carried out throughout the week.

<https://www.nspcc.org.uk/support-us/charity-fundraising/schools-fundraising-ideas/kindness-challenge/>

We will end the week with a **non-uniform day** on **Friday 18th October** which children can participate in for a **£2** donation. We will share the children's acts of kindness during Celebration Assembly. Please share any acts of kindness that you notice your child/ren doing at home e.g. reading a story to a sibling, helping someone out with a job, giving a compliment etc.

Year 1 & Year 2 Science

In Science this term, year one and two have been observing, first hand, the lifecycle of a caterpillar to a butterfly. They worked scientifically by looking closely at how the caterpillar changed and recorded observations using diagrams, pictures and writing. The butterflies have now been released to start the whole lifecycle process again.

Open the Book

We had our first visit from Open the Book who bring stories from the bible to life with props and costumes. This weeks story was the story of Creation which linked to our RE topic for this term.

Diary Dates

Monday 14 October
