Road Safety

A road safety officer from Lincolnshire County Council came into school to visit year 5 this week to highlight the importance of wearing a bicycle helmet. They looked at different types of helmets and explored why they are important and how they protect our brain. The children discussed reasons for and against wearing a helmet and talked about the repercussions of not wearing one. The children were given stories/scenarios about how accidents can occur and how wearing a helmet can prevent injury. They placed an egg in the same material found within a helmet and dropped it from a height. The egg did not crack because it was wearing a helmet. This showed them the importance of wearing a helmet to protect themselves. The road safety officer also demonstrated how to wear a helmet properly and safely.

Gardening Equipment

Mr Sedgwick will be starting the school gardening club again soon. Year 6 will be working with Mr Sedgwick to plan and plant the vegetable garden and various other gardening activities during the year. We are looking for donations of any gardening equipment which is surplus to requirement to help us out. In particular, we need garden forks, spades and rakes. Any condition will help.

Many thanks in anticipation.

Hinduism

Year 5 were delighted to have a special guest in to talk to them about Hinduism. The children enjoyed discussing and asking questions about how a Hindu leads their life, their beliefs, their god and goddesses and even sampled some delicious food!

Fizzy Hands

Fizzy Hands is a NHS programme designed to help with fine and gross motor skills in children. Each week we work on a different aspect of body control, balance, and ball skills right down to working with tools, buttons, play dough and writing skills. The boys in KS2 have been having fun practicing balance this week while singing along to our favourite 80's music!
