Parking Outside School

If you have to drive to school, then **please ensure that you park responsibly**. Under no circumstances should anyone be parking on the path or the yellow zig-zag lines outside school as this makes getting into school very dangerous for our children and families. Unfortunately, schools do not have parking areas on site for parents, so it is important that you allow enough time at drop off and collection times to park responsibly and get to school for your child's allocated time. Thank you for helping us to keep everyone safe.

The carpark is very busy at drop off and collection times and unfortunately, we have recently had cars being damaged during these times. Please park carefully and responsibly and if any incidents occur they should be reported to the school office.

Open Days - Reception Intake 2025

Thursday 10th October 2024 - 1.30am & Wednesday 16th October 2024 - 9.30am

Do you have a child who was born between 1st September 2020 and 31st August 2021?

If so then your child is due to start school in September 2025

If you live in The Deepings or the surrounding villages please come and visit our school. We would like to take the opportunity to showcase our school and provide you with all the information that you need in preparation for your child starting school in September 2025.

Contact the school office at enquiries@linchfield-cit.co.uk or 01778347450 to book a place.

At Linchfield Community Primary School we pride ourselves in offering **quality first hand, memorable learning experiences** to all of the children. Inspiring opportunities are provided to enable our children to become ambitious, confident citizens who are inquisitive, self-motivated, lifelong learners. Every child at Linchfield Community Primary School is given the chance to achieve their full potential, whatever that may be.

If you are unable to attend our Open Days or prefer to come individually please contact the school office to arrange a personal tour of the school at a time which is convenient to you.

Democracy

It has been a very exciting week at Linchfield as we have been learning about democracy and its' history. The children had the wonderful opportunity to take part in the democratic process of electing their class School Parliament representatives and Linchfield's Head Boy and Head Girl. In classes, the children listened to the speeches of those running for School Parliament and then the whole school came together to listen to the speeches of the Year 6 children hoping to be Head Boy or Head Girl. Every child that prepared a speech and ran for a position should be incredibly proud of their achievements, even if unsuccessful in obtaining a position.

The Year 6 children who were brave enough to prepare a speech and deliver it in a whole school assembly, deserve special recognition for their excellent speeches. They represented themselves and our school in such a fabulous way, demonstrating our school values of resilience, respect, responsibility, resourcefulness and reflection.

Safeguarding

Safeguarding is the action that is taken to promote the welfare of children and to protect them from harm. This involves protecting children from abuse and maltreatment, preventing harm to children's health or development and ensuring children grow up with the provision of safe and effective care.

If you have a worry or concern about any child's welfare at Linchfield Primary School, please talk to the School's Designated Safeguarding Leads, who are Mrs Roberts, Mrs Brockington and Mrs Pilsworth.

Year 6 Police Workshop

On Tuesday, Year 6 were lucky enough to receive a workshop from the police. The workshop discussed Anti-social behaviour, what this is, how young people become involved in it and how to ensure that they do not become a part of it. The children learnt about what it means and how to be good citizens.

Year 4 Science

In science this term we are learning about electricity. Last week we went on a learning walk to discover which appliances use electricity in our school. The children were very excited and full of scientific questions. We also discovered that lemons can generate enough power to light up an LED!

Young Voices Rehearsals

I was a pleasure listening to the children and staff singing tunefully at their first rehearsal for Young Voices. They sang my favourite Whitney Houston song brilliantly!
