

# Linchfield Primary School

## Learning Overview – Term 5

<h3 style="text-align: center;">DT - Cooking</h3> <p>We will look at different ways to prepare a range of fruits, vegetables and salad. We will be cutting, peeling and grating ingredients safely and hygienically. Whilst preparing food we will be talking about the importance of a healthy and balanced diet.</p>	<h3 style="text-align: center;">Science - Plants</h3> <p>We will be learning the names of a variety of wild and garden plants. We will be identifying the main parts of plants and describing their function. We will also be learning the names of a range of common trees.</p>	<h3 style="text-align: center;">PE</h3> <p>We will be developing skills in striking and fielding in our outdoor PE lessons. We will work on fitness during indoor PE lessons and practise our 'May Dance'. We will copy moves and positions, develop control and coordination, as well as linking actions to perform a sequence.</p>
<h3 style="text-align: center;">Reading</h3> <p>We will continue with our daily phonics lessons where we will be reading books that develop our fluency, confidence and expressional tones when reading.</p>	<h2 style="font-style: italic;">Year 1</h2> <p><b><i>Yew – Mrs Robinson/Mrs Conlon</i></b></p> <p><b><i>Fir – Miss Lynch</i></b></p>	<h3 style="text-align: center;">Writing</h3> <p>Within phonics we will be practising sentence writing and making sure our capital letters, finger spaces and full stops are included. We will also look at how we can improve our sentences to make them more interesting to read.</p>
<h3 style="text-align: center;">Music</h3> <p>We will learn about pulse, beat and rhythm. We will learn a song about our imaginations and be performing these songs using glockenspiels.</p>	<h3 style="text-align: center;">Maths</h3> <p>We will be learning about multiplication and division, fractions and geometry. We will count in multiples of twos, fives and tens. We will recognise, find and name a half and a quarter of an object, shape or quantity. We will describe position, direction and movement, including half, quarter and three-quarter turns.</p>	<h3 style="text-align: center;">PSHE - Healthy &amp; Safer Lifestyles</h3> <p>We will be identifying different feelings and telling others how we feel. We will talk about which school/classroom rules help us to feel safe. We will talk about what we can do if we feel worried about a secret. We will explore what makes a place or activity safe.</p>
<h3 style="text-align: center;">Class Story</h3> <p>We will be reading a different story each week in the classroom where our focus will be on listening skills, reading out loud and inference skills.</p>	<h3 style="text-align: center;">Computing – Digital Writing</h3> <p>We will be using a computer to write. The children will learn how to add and delete text using a word processing program. We will learn how to change text using a computer. We will compare typing on a computer to writing on paper.</p>	<h3 style="text-align: center;">Geography – Coastal Explorers</h3> <p>We will be learning about coastal exploration, discovering the world's continents and oceans. We also will be learning about the human and physical features of the coast through our trip to Hunstanton.</p>
